

REMARKS

In the Drawings:

Applicant herein provides proposed new drawing embodied as Figures 9A and 10A. As reflected hereinabove, Applicant has further amended the specification to reflect inclusion of said new drawing figures. The elements of FIG. 9A are disclosed in the original specification at page 24, lines 16-20, and the elements of FIG. 10A and are disclosed in the original specification at page 25, lines 19-23. Applicant respectfully notes that no new matter has been entered.

Amendments to the Specification

Applicant has amended the specification to include reference to FIGS. 9A and 10A. Applicant has further amended the specification to include reference letters to elements recited in the original specification that are shown in FIGS. 9A and 10A.

Amendments to the Claims

Applicant has cancelled claims 3-6, 10, 13, 15.

Applicant has amended claim 1 to include an angled block component and a means for adjusting angular position comprising a plurality of mated wheels with toothed faces. Said amendment was previously designated as allowable in prosecution of U.S. Pat. Appl. No. 10/411,736, now abandoned.

Applicant has amended claim 12 to include a step of adjusting angular position of the door bump via a plurality of mated wheels with toothed faces. Said amendment adds the allowable subject matter of U.S. Appl. No. 10/411,736, now abandoned to claim 12.

Applicant has added new independent claim 16, as previously allowed during prosecution in U.S. Appl. No. 10/411,736, now abandoned.

Applicant has added new claim 17, dependent from claim 12.

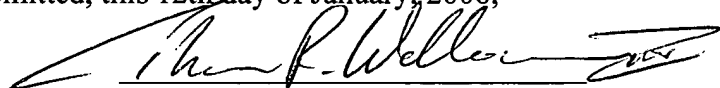

All other amendments are as to form.

CONCLUSION

Applicant respectfully requests that the preliminary amendment be entered. Applicant believes that the present amendments distinguish the claims over the prior art and thus, place the claims in better form for consideration and in condition for allowance. The above-made amendments are to form only and thus, no new matter was added.

Otherwise, should the Examiner have any questions regarding this submission, he is invited to contact the undersigned counsel at the address or telephone number below.

Respectfully submitted, this 12th day of January, 2006,

A handwritten signature in black ink, appearing to read "Thomas R. Williamson III", with a stylized flourish at the end.

Thomas R. Williamson III, Esq.

Reg. No. 47,180
